Chiropractic for Rheumatism

State of Ohio, ss:

Stark County,

Ryllis Schraner of 1001 Lippert Road N. E., Canton, Ohio, having been first duly sworn, says:

I can truthfully say that Chiropractic is wonderful and for me has proven a positive cure for rheumatism. For several years I had been ailing, and it seemed that more medicine I took the worse my system became. I got so bad I had to remain in bed. Dr. J. Menegay of Canton started giving me adjustments, and in two weeks I was able to walk around again. After a few months of steady adjustments I was cured. This was in the spring of 1917, and since then I have resumed all my outdoor sports, such as swimming, ice skating and hiking, and have also been going to dances, and I have never had a trace of it since.
